I. INTRODUCTION

ARES Region 2 provides communications assistance during natural disasters or other emergencies when requested by Parish Offices of Homeland Security & Emergency Preparedness, Southeastern Louisiana University, Red Cross and other public safety or emergency management agencies in times of need.

II. AGENCIES SERVED

Louisiana ARES Region 2 serves Parish Departments of Homeland Security and associated emergency management and public safety agencies.

Parish Departments of Homeland Security & Emergency Operations Centers may require that all personnel have EOC Identification to enter the building during an emergency. This ID can be obtained through the EOC office after required training.

ARES members are expected to abide by the rules of the served agency.

III. STRUCTURE

A. Region Location

- ❖ Louisiana ARES REGION 2 serves the north shore area of southeast Louisiana.
- ❖ Region 2 is composed of the following parishes:

East Baton Rouge, West Baton Rouge, East Feliciana, West Feliciana, Pointe Coupee, Iberville, Ascension, Livingston

Joseph Moreau	Director East Feliciana Parish OHSEP	225-719-1962
Laurie Doiron	Director Iberville Parish OHSEP	225-687-5140
Mark Harrell	Director Livingston Parish OHSEP	225-686-3066
Mark Ward	POC Pointe Coupee Parish OHSEP	225-694-5408
Deano Moran	Director West Baton Rouge OHSEP	225-346-1577
Brian Spillman	Director West Feliciana Parish OHSEP	225-635-6996
Darren Guidry	R2 Regional Coordinator GOHSEP	225-916-4905
Brian Spillman	Regional Director	225-635-6996

C. Agency Locations in Region 2

1. Parish Emergency Operation Centers – Physical Addresses

Parish	Address	City	Zip
Ascension	828 S. Imra Blvd Building 3	Gonzales	70737
East Baton Rouge	3773 Harding Blvd	Baton Rouge	70807
East Feliciana	10350 Hwy 10	Ethel	70730
Iberville	58030 Meriam St.	Plaquemine	70764
Livingston	2734 South Frost Rd	Livingston	70754-1060
Pointe Coupee	7011 Mitchell Lane	Morganza	70759
West Baton Rouge	2413 Ernest Wilson Dr.	Port Allen	70767
West Feliciana	WFP Parkway	St Francisville	70775

2. Shelters

Shelter locations will be announced by the Net Control Station when received from parish emergency operations.

3. Hospitals

Physical locations and available ham radio equipment are provided below.

Hospital	Radio Equipment	Parish

IV. OPERATIONS

A. Alert Procedure

1. All amateur radio operators in Region 2, especially ARES members should monitor their primary repeaters during times of potential emergency conditions such as severe weather or dangerous situations in case a directed net is called.
2. When primary repeaters are inoperative, secondary frequencies should be monitored as listed in the Regional Operating Frequencies chart.
3. The NCS may change or provide additional frequencies during an event.

B. Operational Frequencies

1. Usage of repeater systems in Region 2 has been generously granted (either verbally or in writing) by the controlling groups.
2. In an event, the frequency shall be relinquished to the controlling party.
